

BS12

Easy Access

Access to the lower guides through the table makes fine adjustment of the blade simple.

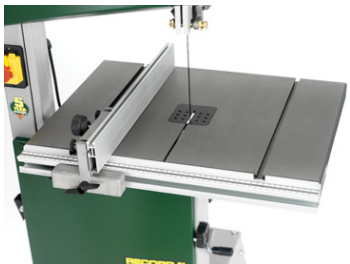

Mitre Fence

Good quality steel mitre fence included.

Rack and pinion table tilt

Offering one handed operation and much more accurate than the simple sliding cast alloy trunnions usually found at this level.

Table

A generous cast iron table gives plenty of support to the workpiece.

Roller Guides

Easy adjust roller guides, an effective design similar to guides found on our premium range of bandsaws.
