Despre produs

These Detectable Blue Corded Ear Plugs from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Shaped for easy insertion, these detectable ear plugs expand quickly in the ear canal to form an excellent seal in noisy environments. Used widely in the food manufacturing industry, blue is a non-food colour and so easy to identify and thus avoid contamination. Features and Benefits o Bullet-shaped for easy fitting and comfort when wearing o Manufactured from foam and plastic for durability o Supplied cord allows for storage around the neck when not in use o Supplied as a pack of 100 pairs to ensure you have an ample amount for all personnel Standards o Halo(R) products are BSI tested o EN 352-2:2002
