Despre produs

These Wraparound Safety Glasses from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. These wraparound safety glasses offer comfortable protection against low-energy impacts and high-speed particles. Designed to fit securely to avoid regular adjustments, these glasses are resistant to high temperatures. Features and Benefits o Solid side arms provide robustness and comfort o Polycarbonate construction makes for an extremely durable product o Frameless design offers 180° vision and perfect optical quality o High temperature resistant o Impact resistant to protect the eyes from debris o Available in various colours to suit your needs Standards o Halo(R) products are batch tested o EN 166 1FT o EN 170 (HAL9601880K) o EN 172 o Category Level II Notes o Do not fit over prescription glasses o Frameless
