Despre produs

These Rigid Safety Glasses from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. The perfect mix of comfort and practicality, the Halo(R) range of rigid safety spectacles deliver a lightweight and non-slip wearing experience. Designed to handle the rigours of everyday wear, a selection of lens colours are available to suit different working environments, including clear, grey and indoor/outdoor. Features and Benefits o Rubber nose piece and temple tips for comfort at touch points o A lightweight design at 27g for comfortable, barely-there fitting o Polycarbonate construction makes for an extremely robust product o Half frame design for a lighter feel o Impact resistant to protect the eyes from debris o Available in various colours to suit your needs Standards o Halo(R) products are batch tested o EN 166 1F o Category Level II Notes o Do not fit over prescription glasses
