Despre produs

These Nitrile Palm Coated Gloves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Available in an array of sizes, these nitrile palm coated cut resistant gloves possess a liner that is manufactured from recycled plastic bottles, keeping you safe, comfortable and helping the planet at the same time. Features and Benefits o 15 gauge liner is manufactured from recycled plastic bottles to reduce your carbon footprint whilst retaining comfort o Nitrile coated palm allows for dexterity even when handling oily or greasy components o Elasticated cuffs effectively hold the gloves in place as well as working to prevent dirt and debris from ingressing o Touchscreen compatible so there is no need to remove the glove when operating phones, tablets or other touchscreen devices o Available in a variety of sizes to ensure you find the right fit Standards o Halo(R) products are BSI tested o EN 388:2016 4121X o EN 407:2004 X1XXXX o EN 420:2003+A1:2009
