Despre produs

These 18 Gauge Sandy Nitrile Coated Gloves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Available in a wide range of sizes, these 18 gauge gloves are designed to offer you protection when working, as well as being comfortable even with sustained wear. Finished with a sandy nitrile coated palm to bolster grip. Features and Benefits o 18 gauge liner offers comfort as well as dexterity o Sandy nitrile coated palm ensures excellent range of movement and grip when handling oily and greasy products o Elasticated cuffs hold the gloves in place when in use and also prevent dirt and debris from ingressing o Available in a range of sizes to ensure you find the right fit Standards o Halo(R) products are BSI tested o EN 388:2016 4.1.2.1.X (plus add shield) o EN 420:2003+A1:2009
