Despre produs

These Double Nitrile Coated Gloves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Available in a wide range of sizes, these double nitrile coated gloves are suited for protecting hands when handling potentially hazardous objects or materials.

Features and Benefits

- o 15 gauge liner for comfort and protection
- o Fully coated with nitrile as well as a foam nitrile layer additionally coating the palm for excellent dexterity when handling heavily oily or greasy products
- o Elasticated cuff secures the gloves in place and prevents dirt and debris from ingressing
- o Available in a range of sizes to ensure you find the best fit

Standards

- o Halo(R) products are BSI tested
- o EN 388:2016 4131X (plus add shield)
- o EN 407:2004 X1XXXX (plus add shield)
- o EN 420:2003+A1:2009
