Despre produs

These Cut B Foam Nitrile Palm Gloves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Designed to offer dexterity when handling greasy, oily components with a cut protection level B, these gloves are manufactured with safety and comfort in mind. Available in a range of sizes to ensure all are protected. Features and Benefits o 13 gauge cut B resistant liner allows for excellent dexterity and protection as well as comfort o Foam Nitrile coated palms can grip dry, damp, greasy and oily components o Boasting a HPPE cut resistant material to protect against cutting injuries o Elasticated cuffs prevent the ingress of dirt and debris as well as securing the gloves in place o Seamless construction reduces irritation of the skin even with extended use o Available in an array of sizes to ensure you find the product that is the right fit for you Standards o Halo(R) products are BSI tested o EN 388:2016 4.X.4.2.B o EN 407:2004 X1XXXX o EN 420:2003+A1:2009
