Despre produs

These Seamless Nylon PU Palm Coated Cut B Gloves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Designed for handling dry components that could produce a cut risk, these seamless nylon and polyurethane gloves are available in a wide range of sizes to ensure that everyone is protected. Features and Benefits o Comfortable 13 gauge cut B resistant liner effectively protects against cuts o Polyurethane (PU) coated palm increases grip and dexterity and lets you handle dry components that could pose a cut risk o HPPE cut resistant material protects against cutting injuries o Knit wrist cuffs prevent the ingress of dirt and dust into the glove to enhance wearer comfort o Seamless design reduces potential irritation to the skin o Available in a range of sizes allowing you to find the size that's the best fit for you Standards o Halo(R) products are BSI tested o EN 388:2016 4.X.4.2.B. o EN 407:2004 X1XXXX o EN 420:2003+A1:2009
