Despre produs

These Leather Rigger Gloves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Comprised of a high-quality pig grain leather coating and cotton lining, these rigger gloves deliver heavy-duty protection against abrasion injuries. The natural materials deliver excellent moisture-wicking properties during prolonged wear to allow for comfortable, confident handling. Features and Benefits o Heavyweight cotton drill backing and liner for breathability and comfort o Leather coated for superior protection o Open cuff type for easy donning and doffing o Elasticated back for a secure fit and flexibility o Extended 2in. safety cuff for enhanced wrist protection o Knuckle patch for enhanced protection in this vulnerable area o Extra coating on the thumb, forefinger and fingertips for added durability and protection Standards o Halo(R) products are BSI tested o EN 388:2016 4.1.2.2.X. o CAT II
