Despre produs

These Hi-Vis Rip-Stop Heavy-Duty Trousers from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Extremely durable and with a long service life, Ripstop hi-vis trousers from the Halo(R) safety range provide quality work wear for low-lighting conditions and wet weather. Reinforced Ripstop material reduces the risk of fabric tears when caught on a sharp edge. If a rip does occur, it stays localised and doesn't spread to the rest of the garment to maintain EN 20471 protection. Features and Benefits o Elasticated waist provides a secure and comfortable fit o Ripstop polyester material provides a heavy-duty garment with minimal tear risks o Taped seams reinforce the stitching for a reliable and durable product o Two reflective bands around either ankle ensures optimum visibility in low light working conditions o Press studs at the ankles allow for adjustability to provide a more comfortable fit o A convenient through pocket gives quick access to your own pocket o Available in either yellow or orange in a range of sizes to suit your needs Standards o Halo(R) products are BSI tested o EN 20471:2013 Class 1 o EN 343:2003 3:1 o RIS-3279-TOM (Orange only)
