Despre produs

These reversible 2 Band & Brace 5-in-1 Hi-Vis Coats from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. This convenient and extremely versatile reversible multi-function coat system delivers wear for all seasons. An outer waterproof, high visibility jacket is insulated by a detachable inner jacket for cold, dry weather. For warmer days, this jacket has a detachable hood and sleeves to create a body warmer. Ideal for tradesmen and outdoor workers, the multiple wear options reduce the need for multiple coats and suit any weather conditions. Features and Benefits o Adjustable Hook-n-Loop cuff straps for a secure and comfortable fit o Fleece collar keeps the neck warm and insulates against the cold o Reversible design allows for the choice of a high visibility jacket or body warmer, or a navy fleece high visibility jacket or body warmer o Both the inner and outer are manufactured from polyester for durability and product resilience o 2 Band & Brace reflective tape design on the outer ensures the wearer is visible in low-light conditions o Inner layer/body warmer possesses visibility banding to meet EN ISO 20471:2013 class 3/2 o Two-way zip with a stud storm flap closure delivers added protection in harsh conditions, with the zip also acting as a closure and attachment to the inner layer o Inner layer features elasticated cuffs and removable zipped sleeves to create a body warmer o Three external pockets for storage of personal effects, including a mobile phone pocket o Inner layer has three external pockets including a phone pocket o Available in either yellow or orange as well as a range of sizes to suit your needs Standards o Halo(R) products are BSI tested o CE Certified o EN ISO 20471:2013 Class 2 and 3 o EN 343:1993 Class 3 o RIS-TOM-3279 (Orange Only) Approvals o Directive 89/686/EEC
