Despre produs

These FB1 Comfort Footbeds from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Suitable for inserting into your Halo(R) safety shoes, these comfort footbeds are designed for bolstering your comfort when wearing safety shoes for extended periods of time. Available in a range of sizes, each footbed is manufactured from durable EVA and is black in colour. Features and Benefits

- o EVA full length comfort footbed is designed to support the foot
- o Durable product that is suited for every day use
- o Stabilises the heel to reduce pressure on the joints
- o Cushioned insole absorbs impact to increase wearer comfort
- o Shape contours to the heel and arch to achieve full foot contact
- o Available in varying colours/sizes to suit your needs

Standards

- o Halo(R) products are BSI tested
