Despre produs

Finished in an attractive, bold blue colour, these airline hoses retract to a fraction of their working length. Fitted with brass 360? swivel couplings, the product is ideal for use in awkward access areas.? Extremely flexible due to their polyurethane construction and available with two different sized couplings. Features and Benefits o Recoils to a fraction of its working length, leaving the workplace clear of entanglement hazards o Flexible polyurethane design makes handling easy even in restricted areas o Brass swivel couplings provide a positive fit with accessories and tooling o Available with two sized couplings to suit your needs Typical Applications o Intricate tasks with limited space
