Despre produs

This professional disinfectant is designed for general-purpose cleaning and sanitising, ideal for industrial environments and suitable for use on all washable hard surfaces. It can be diluted at a ratio of 30:1 with hot or cold water for regular mopping and wiping, with the option to create a stronger solution for tackling heavier soiling. The disinfectant features a long-lasting pine scent, leaving behind a fresh, clean fragrance, and offers broad-spectrum action for effective cleaning across a wide range of applications. Features and Benefits o Suitable for cleaning and sanitising all washable hard surfaces o Can be diluted for varying cleaning needs o Leaves a lasting pine fragrance for a fresh, clean scent Warnings o Health Hazard / Hazardous to the Ozone Layer
