Despre produs

The Kennedy Eye Loupes are precision-crafted magnifying eye lenses designed to deliver sharp, detailed images with minimal eye fatigue. Featuring a clear optical glass lens, these loupes ensure optimal clarity for close inspection of intricate work. The lightweight plastic body enhances user comfort during extended use, allowing for meticulous tasks without causing undue strain. Engineered to minimize eye fatigue, these loupes are well-suited for professionals who demand precision and clarity in their work. With magnification options ranging from 2X to 10X, the Kennedy Eye Loupes offer versatility to cater to various levels of detail, making them an indispensable tool for those engaged in intricate and demanding tasks. **** 3X MAGNIFIER NOT INCLUDED ****
