Despre produs

The Precision Wire Stripper S offers precise handling for very thin wires from 0.12-0.8mm with its compact, ergonomic design. The adjustable length stop of 5-45mm provides exact control for various stripping lengths, while calibrated torsion springs ensure even pressure for clean, damage-free cuts. Crafted for durability and comfort, it is user-friendly for both right- and left-handed users, making it ideal for intricate electronics work. Features and Benefits o Handles thin wires from 0.12-0.8mm with exceptional precision o Ergonomic design ensures comfort and ease for extended use o Adjustable length stop of 5-45mm allows for exact stripping control o Calibrated torsion springs deliver consistent, damage-free pressure o Durable and suitable for both right- and left-handed users
